

CD Silent Auction for the Future of Hermann's

[Jazz On View Society](#) has secured an option to purchase Hermann's Jazz Club!!!please help us!

We have many fundraisers coming up and the latest addition is fun and could be truly great – we just need the help of lots of *musicians...*

Here's the proposal.....

We take our long, long dusty hall that hides Hermann's out back - and turn it into Victoria's Coolest Pop-Up Shop for [TD Victoria International JazzFest!](#)

We are sending out a request to as many musicians as we can reach and ask if they will send us a CD or digital download to auction off during Jazzfest (and special events) to raise money for and in support of the future of [Hermann's](#). We would love to receive CD's from as many musician supporters as possible – so that we can launch this awesome silent auction for Jazzfest – *June 23rd-July 2nd* . Silent Auction winners will be announced *July 3rd* .

In the past 37 years have you played at Hermann's? Do you want to come play at Hermann's? Do you believe that music venues are an integral part of our social fabric and don't want to see another go down? Have a complete discography burning a spot on a shelf? Feeling famous &/or fabulous?

If you replied YES to any of the above, please send us a CD or download code :D

Signed CD's are certainly encouraged. Details for submissions are at the bottom of this message.

Now – for a Jazz Club that has operated for 37 years we have a *TERRIBLE* contact list – honestly, 100 musicians long. Please pass this forward like a chain-letter – the further it goes the more interest and commitment we generate (click below)
